

APPLICATION FOR PLANNING COMMISSION

The Planning Commission acts as the custodian of the visual character of the City and plans for the physical development of the City. The Commissioners review and approve specific planning and development permits and advise the City Council on regulatory zoning matters and the citywide landscape improvement program.

Commission members pledge upon appointment to represent the overall public good and not that of an exclusive group or interest. The City assigns a staff liaison to work with the Commission and facilitate communication between the Commission and the City Council.

Attendance at the twice monthly meetings of the Planning Commission is required. Commissioners are expected to periodically attend and participate in City programs and activities.

Commissioners receive a stipend of \$100 per meeting, not to exceed \$200 per month.
